

TO OUR VALUED SALES PARTNERS

SHOW NEWS: *The South Pack Show in Charlotte, NC is March 19th-20th, AMS will be exhibiting in booth 2024.*

Coming this June , AMS will be exhibiting at East Pack in NY. Booth 4564.

Two new team members join AMS! Mark Pezone and Ian Sarmento. Mark will be assuming the sales territory of Scott Tiffany who has moved into our Production Department. Ian will be helping in assembly and shipping.

SALES BULLETS -

- *Scott Tiffany has accepted a new role at AMS! Scott will now have his hand in the Post Sale procedures and Production. It is a position AMS has created to insure projects are engineered, built and shipped without issue. As many of you know, Scott's attention to detail will allow AMS to serve you and our clients more efficiently. Good Luck Scott!*
- *To fill the void left by Scott's promotion, AMS is proud to announce the hiring of Mark Pezone. Mark has been in the injection molding industry where he sold capital equipment for the last 8 years. Mark is a true professional and looks forward to working with Rypac and Belcorp as his territory expands. Welcome to the team Mark!*
- *February saw AMS ship a record amount of systems. As a result we were able to get some much needed videos for you to use. These videos will also be available on our website.*
- *As always we still would like any assistance in our market research, ideas and competitive quotes welcome!*

PROJECTS IN HOUSE: *(Some of the projects currently on the shop floor)*

- ***SA-100 Servo dispensing cooked IQF Rice.***
